

Discover Archery - Client Information

Firstly, thank you for booking on to or enquiring about our activity day. If you have any questions about what you need or what is involved during the activity and you cannot find the answers in this document, please do not hesitate to email info@peakinstruction.com or call us on 07422941438.

Times: This is usually 10:00am but we might have alternative start times on busy days. You need to be at our car park and ready to leave your vehicle for this start time please. We suggest you arrive around 15 minutes before your start time. If you are running late and may not get to us on time, it is important to call the number at the top of the page so that the instructor can be informed and you can be given directions or instructions on what to do if you arrive late. We will wait for up to 10 minutes after the start time but after that, your activity will begin without you. Your activity will end approximately 2 hours after your start time.

Meeting Point: Our site is known as Walker Brow Woods and is on Macclesfield Road in Whaley Bridge. You can walk here from the village, local bus stops or come in a car. If using a sat-nav to find us, you should stop using it once you are on Macclesfield Road and rely on the written instructions instead. The sat-nav will likely take you onto the wrong lane (private road) and you won't be able to access the woodland from there. [Google Maps](#).

If approaching from Whaley Bridge on Macclesfield Road, follow the road uphill, round a tight left-hand bend. Drive slowly here please, as the turning is very quickly upon you and you should indicate left as you are coming around the bend to give notice to the cars behind. Just before the 50mph sign, turn left onto a gravel lane, where 2 domestic garages are visible.

If approaching from Kettlethulme direction, turn right onto the gravel area, immediately after the 30mph speed limit signs as you enter Whaley Bridge, before the sharp right-hand bend.

Go onto the gravel lane and uphill past 2 garages and right, through our gate into the car park. When at the car park, please park neatly and close to other vehicles as we have limited space available. Please do not block access to the track or gate and do not park outside the houses adjacent to our gate. If there are space issues, our instructor will give you parking instructions when you meet them. Your instructor will meet you in the car park at the start time.

What to Bring: We will provide you with all the necessary safety equipment for taking part. You should dress as appropriate for the weather on the day.

- You must wear shoes that fully cover your feet. Sandals, flip-flops or crocs are not appropriate. Walking boots, trainers with good tread or snug-fitting wellingtons are appropriate.
- If you have long hair, please have or be prepared to tie it back for the archery.
- Please bring a long-sleeved top even in hot weather.
- Bring any medication you normally carry with you when away from home, e.g. asthma inhalers, epi-pens etc...

Facilities on site: None, it's a woodland! There is a very basic composting toilet area but nothing else in our natural site. You should bring everything you need for your own comfort and sustenance.

Info in a nutshell:

- Please be there 15 minutes before your start time.
- Please wait to be met in the car park.
- Please wear appropriate clothing and good shoes.
- Please bring medication.
- Please bring a hair tie for long hair.
- Please have a long-sleeved top.
- Please have fun!

See you there!

Frequently Asked Questions:

Can I bring a camera?
Sure thing!

Can I bring a dog?
Sorry but no. We have a no dogs policy due to fires, cliffs and children playing.

Can we do anything else while we are in the woods?
We often have other activities running on the same day. Have a look at our public activity page on the website and see if there is anything you can combine a visit with. We can always quote you for a private activity day too.

Cancellation Policy: Our full terms and conditions, including data protection information, can be viewed on our website; www.peakinstruction.com

We will only cancel the activity as a very last resort. This may for example happen when there are weather conditions on the day that make it unsafe to run the activity. We will offer you a new date or refund your booking.

Once you have booked, we will only refund any places cancelled if we are able to resell your places on that activity slot. If you do not turn up for your activity, we will not refund you. If you arrive very late you will still be allowed to take part, but the activity will not be extended beyond its original finish time.
